## BE A PART OF THE SFJAZZ LEGACY CIRCLE

---

You appreciate and celebrate jazz. And we strive to make SFJAZZ a home for supporters like yourself with our dedication to presenting jazz in all its forms through vibrant concerts and educational programming.

Perhaps you value this experience so much that you've already thought seriously about including a legacy gift to SFJAZZ in your will that would benefit future generations of jazz lovers.

When you notify SFJAZZ about your intended gift, we will invite you to join our **Legacy Circle**. As a member, you will attend special legacy events and will be recognized in SFJAZZ materials. By stepping forward, you encourage others to do the same—though you may always choose to remain anonymous.

Your gift will be placed in our endowment where it will help inspire and develop future generations of jazz musicians and audiences.

Thank you for considering SFJAZZ through a legacy gift.

If you have any questions, please contact:

# WILL YOU HELP SFJAZZ THRIVE YEARS FROM NOW?

No gift is too large or small. Maybe we can even show you ways to make your bequest or other legacy gift even more valuable.
