

# FRIDAYS AT FIVE

## BEST WAYS TO WATCH

*Fridays at Five* is a weekly one-hour concert that is live streamed at [SFJAZZ.org/watch](https://sfjazz.org/watch) from 5-6PM PT (7-8PM CT, 8-9PM ET), and is free to SFJAZZ members (\$5 for one month, or \$60/annually). To become a SFJAZZ member, or to renew your membership, visit our Membership Page. You can find additional information on how to login by visiting our [“How to Login” page](#).

**1.**

### Watch on your smart TV.

You can watch *Fridays at Five* on your smart TV by using your TV’s streaming app. If you want to stream *Fridays at Five* to your TV and participate in the chat simultaneously, you will need to use two different devices. See additional resources on Google Chromecast, Apple AirPlay, Roku, and other TV streaming apps in the “Troubleshooting Tips” section below.

**2.**

### Set your YouTube resolution to 1080 HD.

YouTube’s default resolution for videos is 720p on desktop and 480p on mobile. If you have a strong internet connection, we recommend setting the livestream to 1080p HD. Click the Settings icon (⚙️) in the bottom right corner of the video player to change your resolution. Increasing your video resolution will also improve audio quality!

**3.**

### Hang out in the chat.

*Fridays at Five* is an event best experienced as a part of a group—engage with fellow fans and the artists performing on screen by joining the chat. You’ll also get important context on the show and songs you’re viewing with helpful information delivered by the SFJAZZ Chat Moderator. Chat is available on desktop/laptop devices and located to the right of the video player. You must be signed in to a YouTube account to make a comment.

TIP JAR

Share Fridays at Five with a friend — [Gift Memberships](#) now available!

Adjust the volume.

Press this button to watch the feed LIVE (the dot will be red).

Adjust the video resolution via the settings icon — we recommend 1080p HD

Cast the broadcast to your smart TV.

## Troubleshooting Tips

### If you're having trouble connecting to your smart TV.

You can watch *Fridays at Five* on your smart TV by using your TV's streaming app. Click on the links below to access full how-to guides for each streaming application.

[Google Chromecast](#)

[Apple AirPlay](#)

[Roku](#)

[Vizio SmartCast](#)

### If your video and/or audio is not syncing properly.

Make sure your internet connection is stable and try refreshing your browser. If your internet connection is not stable, connect your laptop directly to your internet modem using an ethernet cable. If none of these options work, try lowering the resolution by clicking the Settings icon in the bottom right of the video player.
